

DANIELA PARKER

A NEW VOICE FOR WEAVER VALE

Dear Colleague,

I am seeking your support to be the candidate and future MP for the Weaver Vale parliamentary constituency. I have spent my professional career in the prison and justice system helping people overcome incredible obstacles. This has given me a passion and drive to help individuals and communities find a way forward and to advocate on their behalf. I believe with the support of all of you I can do this for all the residents of Weaver Vale too.

I was honoured to be made acting Prospective Parliamentary Candidate for Weaver Vale in December 2018. Since then I have been campaigning hard for the Lib Dems in Weaver Vale by canvassing on the doorstep, contributing articles in the local press and increasing my social media presence. Our increased vote share in the recent local elections in Cheshire West and Chester and the European elections are testament to our hard work and dedication. As your prospective parliamentary candidate I will continue to work with our local Lib Dem members, Local Councillors and our newly elected MEPs to build on this. I will lead a drive to grow our membership, strengthen and motivate our activist team, fundraise and increase our vote share further.

Please vote for me so that I can continue to lead the Liberal Democrat team in Weaver Vale to further success in the future.

With Best Wishes

Daniela
